

## Am I Psychic?

Give yourself one point for each statement below, that is true for you

True	False	1. I had, saw, and talked with imaginary friends or angels as a kid.
True	False	2. I've walked into places and suddenly felt overwhelming emotion, like sadness or joy.
True	False	3. Sometimes I see things out of the corner of my eye that look like sparkles, flashing lights or shadows.
True	False	4. I go places and I feel things about the place, like I might feel cold, hot, shivery, or heavy.
True	False	5. Sometimes I am in a place and I just know something good (or something bad) has happened there.
True	False	6. If I have a decision to make, I can often visualize the outcome of each choice.
True	False	7. I sometimes hear things in my own head, like music or even voices that seem to help me.
True	False	8. I have frequent vivid dreams. I remember them and can usually understand a message from the dream.
True	False	9. I seem to 'just get' animals and feel like I can communicate with them.
True	False	10. I just know things about people.
True	False	11. I know if I can trust a person, upon meeting them. It's almost like they put out uncomfortable 'vibes'.
True	False	12. Electronics are weird around me at times. Things go awry with my electronics, things that don't happen to other people. Sometimes alarms go off, light bulbs flicker or burn out quickly, or things turn off (or on).
True	False	13. People come to me for advice, and they seem to feel better and take action afterwards.
True	False	14. I have had a wave of emotion, not related to anything I could think of, just come over me.
True	False	15. I have felt strongly connected to someone after they passed away. It's like I just 'knew' they were present and it seems like I was getting 'signs'.

<b>True</b>	<b>False</b>	16. I have strong 'gut feelings' about people, places, or situations and most of the time they are true (or come true).
<b>True</b>	<b>False</b>	17. Sometimes I get a flash or a vision in my mind that is then shown to be true, like visiting a historic place and just knowing what things are or how the place is laid out.
<b>True</b>	<b>False</b>	18. I get messages I can use in my daily life from my dreams.
<b>True</b>	<b>False</b>	19. I have synchronicities happen all the time, like meeting the 'right' person to help with something I need, seemingly randomly...but they can't be random because it happens so often!
<b>True</b>	<b>False</b>	20. It feels like my life is blessed (guided).
<b>True</b>	<b>False</b>	21. When the phone rings, I often know who is calling before even answering.
<b>True</b>	<b>False</b>	22. I seem to start things several years before they become popular.
<b>True</b>	<b>False</b>	23. I have known when someone who is close to me died, although there was no way for me to know.
<b>True</b>	<b>False</b>	24. I have seen peoples' auras.
		<b>Totals for the number found to be true and the number found to be false</b>

- If 10 or more are true, you are likely to be psychic.
- If your score was lower, know that we can all practice and increase our skills!
- Just the fact that you were interested enough to take this quiz shows you have an interest, and likely some experiences that have made you wonder!
