

SPRING ENERGY EVENT 2018

SATURDAY APRIL 14th

7:00 AM – 8:30 AM Breakfast

Managing Relationship: Resources and Energy	9:00 AM – 10:00 AM
<p>Gene Monterastelli Relationships are living breathing organisms with give and take. Sometimes there can be a lot more give than take. This can hurt our feelings about the relationship, the person we are in relationship with, and can have detrimental impact on other relationships. Learn how we can create, maintain, re-negotiate healthy boundaries in our relationships. Gene is the creative mind behind and editor of TappingQandA.com now also available now on I-Tunes and Amazon’s Alexa.</p>	

10:00 AM – 10:45 AM	Love & Loss: The He(art) of Letting Go
	<p>Kris Ferraro How do we know when it’s time? How do we ease ourselves gently from the small inkling in our hearts to full-on release and redemption? Considering <i>what’s in it</i> for us becomes transformational in this timely presentation on the things we carry...or release. Kris is an energy coach, speaker and teacher, licensed Prayer Practitioner and is certified as an Advanced EFT Practitioner, and in-Body Code & Emotion Code. Kris is located in Montclair & S. Orange, NJ. www.KrisFerraro.com</p>

10:45 AM – 11:00 AM Break

Creating Powerful Therapeutic Client Relationships	11:00 AM – 12:00 PM
<p>Liz Hart Becoming overly reliant on technique or method poses a common temptation for most practitioners. And the latest emphasis on ‘evidence-based’ practices and theories contribute to our body of knowledge, but we keep seeing that the modality specifics <i>aren’t</i> as important as the relationship we build with our clients. So, what does that mean to you personally, and how do you develop that kind of relationship? Liz is a Master Trainer & Practitioner living near Auckland, NZ. More here: www.learneft.nz</p>	

12:00 PM – 1:30 PM Lunch

1:30 PM – 2:15 PM	The Dance Between Traditional and Holistic Healthcare
	<p>Lori Eanes Learn how to navigate an evolving healthcare system, with empowering self-care solutions. If you, too, believe that <i>‘there’s more than one way to heal,’</i> she’ll teach you how to disrupt the cycle of ill health by nourishing the body and quieting the mind. With excerpts from her upcoming book, she’ll share with you <i>‘what your doctor hasn’t told you’</i>. It’s not just about health it’s about healing lives. Dr. Eanes lives and works in NM. www.drlorieanse.com</p>
